REAL HOME COOKING.
20 Italian Regions, 20 Mammams cooking for you.

Embark on an Italian culinary journey focusing on one of the Italian regions every 3 months.

This season our mamma comes from Puglia.

Our Mammams DO ALL THE FOOD PREPARATION. They are not professional chef so they require the help of a team of professional in order to run a successful and busy shift. Most of our pasta is freshly handmade daily, and our sizzling Grill adds an intense flavour to our fresh ingredients.

Welcome to Puglia!

Welcome Puglia, the heel of the Italian boot and home of the infamous Burrata cheese!

We are so excited to unveil the immense beauty of this Italian Southern peninsula where the saturated colour of the blue sky meets the crystal clear water of an astonishing 800 km coastline. Ancient Greek-style fisherman villages and idyllic farmlands make this area nationally renewed for fresh fish, assorted traditional cheeses, hard to compare tasty vegetables, silky acclaimed olive oil and bold wines with a strong character!

The Mammams have put together a must try array of recipes which will immediately transport you in those typical cobbled little streets where is not unusual to bump into groups of Mammams rolling fresh orecchiette pasta on the street while gossiping and socializing through those ancient traditions!

Let us tempt your taste buds and get ready for a food journey like no other!

Meet our Mammams

Our mammams flown all the way to London with their recipe book that has been passed down for generations.

The passion for cooking has always revolved around their family, and you might as well throw that diet out the window - you'll always be too skinny to our "imported" mamma's eye.

Diet guide:

VG – vegetarian / **V** – vegan / **GF** – Gluten free
Gluten free pasta is available on request at + £2

If you wish to order any pastas or desserts which are not part of the mammams menu it can be done with a price difference
