Please ask our team

DID YOU KNOW?

All the famous chefs praise their moms for being their inspiration, what would happen if a whole restaurant was taken over by a group of Italian mothers?!

Ready to find the answer to such a big and tasty dilemma, Peppe Corsaro launched a casting call on **Facebook back in 2018** looking for brave mothers who'd cook their regional recipes to hungry Londoners. Since the first opening in Chelsea in 2018, so many mammas joined the adventure and fed their "**belli di mamma**" in King's Rd Chelsea, Hollywood Rd Chelsea and Kensington Park Rd in Notting Hill!
